

Medication Policy

1.1 Purpose

This policy provides guidance for the safe handling, administration, recording, storage, and disposal of medication by care staff.

This policy complies with:

- Medicines Act 1968
- Health and Social Care Act 2008
- NICE Guidelines
- CQC Standards

1.2 Scope

This policy applies to employees authorized to support or administer medication.

1.3 Training

Only trained and competent staff may administer medication.

1.4 Medication Administration

Staff must:

- Follow care plans
- Confirm identity before administration
- Record medication accurately
- Report errors immediately
- Follow dosage instructions strictly

1.5 Storage

Medication must be:

- Stored securely
- Kept at recommended temperatures
- Accessible only to authorized persons

1.6 Errors and Incidents

Medication errors must be reported immediately and documented.

1.7 Refusal of Medication

Where a service user refuses medication, staff must document the refusal and report concerns appropriately.
